

IZYATI'S PROFILE

Nor Izyati Binti Md. Rahim holds Bachelor of Food Technology with honors from University Sains Malaysia (USM), Pulau Pinang. During her studies, she actively involved with CSR and volunteering activities which has trained her becoming an accountable person in problem solving and organizational commitment.

During her industrial training, she joined the Quality Control department of a F&B company and was exposed to GMP & HACCP operation of the factory. She then has worked with various organizations including F&B, Pharma and NGO especially in organizing seminars, trainings, roadshows, international conferences, carnivals and convocation in the fields of food, nutrition and higher education.

Her routine in previous work includes preparing write-ups, forms, policies and standard operating procedures of the department which made her thorough and meticulous in her work. She has also experienced in dealing with internal & external auditors including responding to NCR from government agencies such as Malaysian Qualifications Agency (MQA), Ministry of Higher Education Malaysia (MOHE) and Malaysian Quality Evaluation System for Private Colleges (MyQuest).

In June 2019, she received certificate of Halal Executive Program by Halal Professional Board (HPB), JAKIM through HDC and joined Serunai COE Sdn Bhd afterwards to pursue her passion in halal industry. She is now engaged in holding halal training, consultation and auditing for numerous small, medium and even multi-national companies under the supervision of 2 experts in halal industry, i.e Puan Mahellah Omar (18 years in halal cosmetics and manufacturing) and Mr. Mohd Jabal Abd Rahim (10 years in halal food premises & auditing).
